Future Teachers of America prepares high school students for teaching roles after college graduation. Useful experiences were gained through its many functions; such as assisting faculty members and practice teaching. Our F.T.A. attended the State Convention in Baltimore last spring, and in turn entertained the Frederick chapter. Joy Green presided over the club and Miss Marian Curling acted as faculty sponsor.

Jr. High Speech Club

Meeting twice a month with Mrs. Walthall as their sponsor, the junior high Speech Club has attempted to improve their public speaking. Some of the projects were recording voices, oral reading, debates, and dramatic readings.

Honor Society...Library Club...

National Honor Society sitting left to right: Linda Edwards, Jerlean Catron, Cynthia Heisler, Nancy Mann, Jean Osterwise, standing left to right: John McGraw, Lorraine Davis, Betsy Adams.

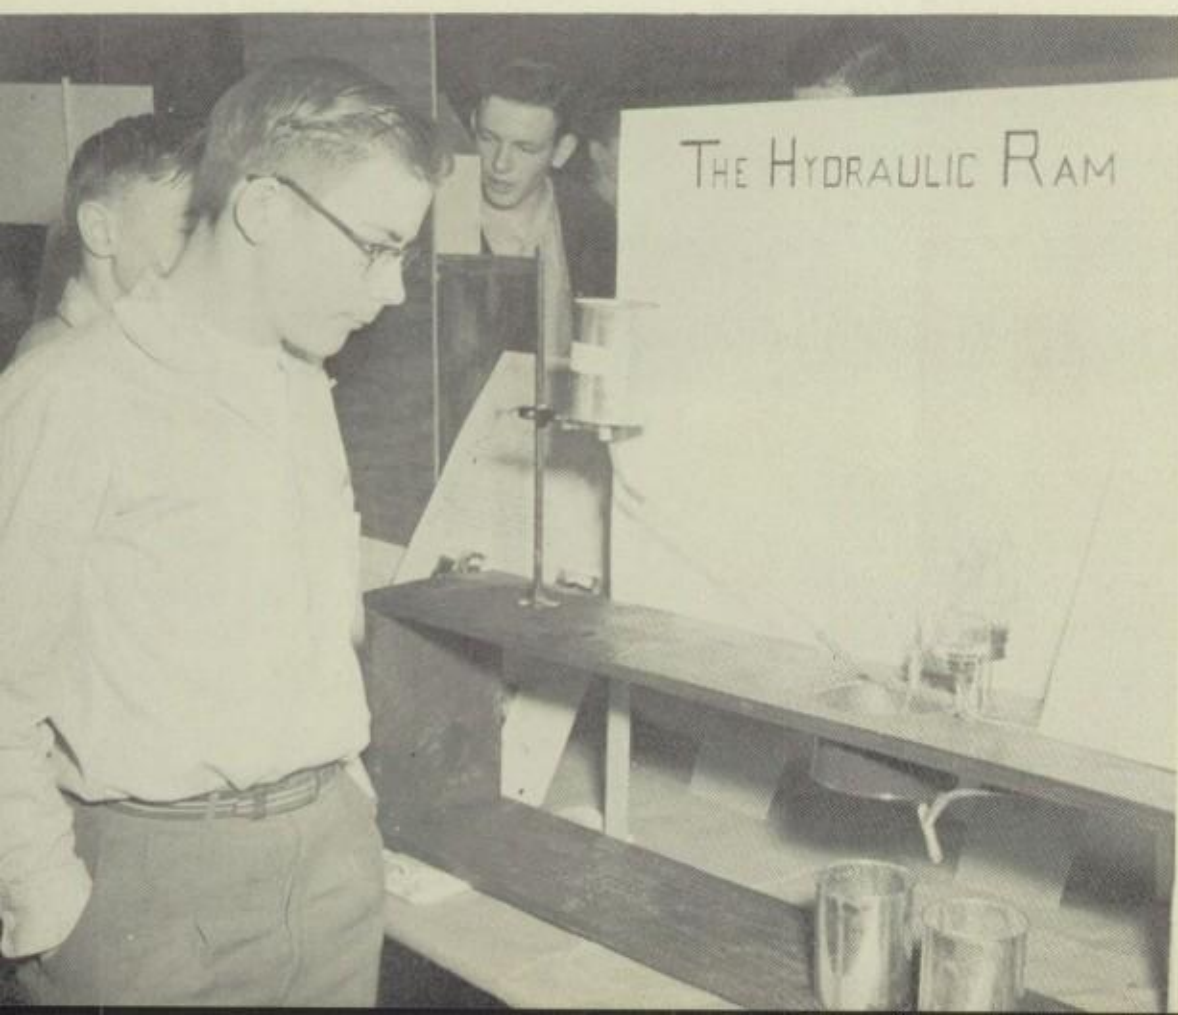

"Peace, Quiet, and Courtesy" is the motto of our G.H.S. Library. Members who work in the library arrange books on the shelves, alphabetize the card catalog, aid students, and check out books. Grades 7-12 experienced a responsibility of learning about the library functions in order to know where to locate books, and how to act in a library. Sponsored by Miss Betty Culotta, librarian, the Library Club consisting of 80 members elected these officers: President, Carole Gilliam; Vice President, Larry McLean; Secretary, Jeanne Price; Treasurer, Nita McClain.

This year as in previous years emphasis was given to research projects. The first prize winners in each category were sent to Montgomery Blair H. S. to compete in the County Science Fair.

BLUE AND GOLD...

Editor-in-Chief Jean Osterwise

Published ten times during the school year by the students of GHS the Blue and Gold has reported on all scholastic events such as, the magazine campaign, Follies, Science Fair, trips, dances, the Prom, and the victories and defeats of the Trojan teams. Outstanding editorials and personality items have added much interest, while photographs, cartoons, and original verse and stories highlighted many issues. Hard-working journalists under the able sponsorship of Mr. Toquinto made the paper a success with the student body.

Rendering many services to our school is the Key Club, a service organization, sponsored by the Kiwanis Club. In order to make money, the twenty-one active members, under the direction of Mr. John Freeman, sold Christmas trees, candy, and a student directory printed by the boys. A part of the money earned was given to charitable organizations. Between semesters this group sponsored its Annual Semester Ball; as usual, this event was a big success.

Glee Club...

Both our junior and senior high Glee Clubs have produced this year a fine series of musical programs. In the fall we presented a choral assembly for Damascus; then in January we traveled to Sherwood for a similar program. Before a large and appreciative audience, we presented our traditional Christmas Concert. During the second semester we worked toward two musical highlights--our Easter program and our Spring Concert.

Future Nurses Of America...

In the Future Nurses the girls have had the opportunity to assist Miss Bowen in the health room and to practice some first aid. During Christmas this group decorated the Visiting Room at Sandy Spring Hospital. With the money made from selling Trojan buttons, the members made it possible for a needy family to have a real Christmas. The officers of the club are Mary Lou Glover, President; Joan McGowan, Vice President; Gwen Gauck, Secretary; and Trail Brown, Treasurer.

The aims of the Senate are to keep the student body informed on the activities of our governing body. Under the leadership of Lolly Beatty, the Senate has participated in more activities than in the previous years. Although the work of this group is not generally publicized, the Senate has contributed greatly to the democratic governing of our school.

School Store...

The School Store is a familiar place to see many students in the morning before homeroom. There they get a wide variety of school supplies, including bookcovers, binders, tablets and ball-point pens in the school colors and imprints.
